

Non-Disclosure Agreement

The Non-Disclosure Agreement (NDA) protects the confidential information of the Respondents and the ETI during the period of the Project Commissioning Process. For the successful Respondent(s), the confidentiality provisions in the Project Contract (when executed) will supersede this NDA.

Notes

In order to ensure parity across different groups of Respondents, the ETI will not enter into negotiations on the terms of this NDA.

Respondents should note the definition of 'Respondents' in the ETI NDA: for the purpose of the NDA this just refers to named parties signing the NDA. The NDA allows exchange of information received from one party with another, but **not** sharing confidential information with other bidders.

NDA Execution Process / Instructions

- The Prime Contractor should complete Schedule 1 of a single electronic NDA with its company (legal) details and a postal address for return by the ETI of a fully executed NDA.
- The Prime Contractor should print and sign **TWO** paper copies of the NDA. **The NDA must not be dated on the front page.**
- The Prime Contractor should scan a copy of a signed and undated NDA and email it to the ETI at the address on the front of the EoI.
- The Prime Contractor should post both original signed and undated copies to the ETI.
- On receipt, the ETI will countersign and date the two original copies of the NDA. The ETI will retain one of these copies and post the other to the Prime Contractor at the address provided by the Prime Contractor at Schedule 1 of the completed NDA. **Note that the ETI will not release confidential information (e.g. the draft Project Contract) until the NDA has been executed by both parties.**

Please contact the ETI if the Respondents intend to submit a Proposal as a Consortium.
